RE: Docket No. 2019-182-E  
Notice of Virtual Stakeholder Meeting

Dear Ms. Boyd:

In its T&D Narrative and Marginal Line Loss Plan filed with the Public Service Commission of South Carolina ("Commission") on November 17, 2021, in the above-referenced docket, Dominion Energy South Carolina, Inc. ("DESC") stated its intent to "facilitate a meeting of interested parties and industry stakeholders by the second quarter of 2022 to address and inform DESC's proposed responses for several of the topics and proposed data acquisition and planning activities outlined in the [T&D Narrative and Marginal Line Loss Plan]." The Company further indicated that it would contact industry stakeholders and interested parties via public notice and publish that notice in this docket.

By this letter, DESC hereby informs the Commission it plans to hold a virtual stakeholder meeting on June 30, 2022, via Microsoft Teams. By this letter, we are providing the Commission and the South Carolina Office of Regulatory Staff with a copy of the Notice of Virtual Stakeholder Meeting, which was provided to the non-utility parties of record in this docket earlier today. The Company has also published the Notice of Virtual Stakeholder Meeting publicly on its website at the following link: <https://www.dominionenergy.com/south-carolina/save-energy?tab=3>.

If you have any questions, please advise.

Very truly yours,

A handwritten signature in blue ink that reads "Matthew W. Gissendanner".
